## PIRATES SAILED TO ROBERT MORRIS UNIVERSITY

Proviso's Career Center offers many opportunities to explore post-secondary education options. Thirty-three students visited Robert Morris University (Aurora Campus) classrooms on January 15th.

University officials explained how scholarships worth \$18,000 or more per year could be made available to eligible students. Demonstrations in the culinary arts and computer technology departments were well-received.

Robert Morris officials would like seniors to submit their FAFSA forms prior to February 1st. All students are encouraged to complete applications and financial aid documents as soon as possible.

Assistance is provided in the Career Center each day between the hours of 7:45 AM and 3:30 PM. Students may also set up appointments with Mrs. Libka, Career Center Director, during or after school for assistance with a variety of post-secondary needs.
